Hydraulic tilting grading and ditching bucket with a flat top for mini and midi excavators from 0.6 to 10 t. It tilts up to **45 degrees** to each side, so it grades slopes and cleans ditches without moving the machine. Six sizes, GBH-10 to GBH-90, 800 to 1800 mm wide, 39 to 334 litres (SAE), 57 to 297 kg.
